Physical Therapist Assistant Exam Review is an essential resource for individuals preparing to take the National Physical Therapist Assistant Examination (NPTAE). This exam review guide and accompanying CD-ROM has been developed based upon the latest content outline and format of the NPTAE to maximize test readiness, focusing on test items related specifically to licensure. The guide covers a broad array of content in detail through a diverse set of sample test questions. The review begins with a chapter on how to prepare for the NPTAE and follows with content-specific chapters which enable students to focus on the subject areas where they need improvement. Important notice: media content referenced within the product description or the product text may not be available in the eBook version.

Practice questions are the simplest way to prepare for the Physician Assistant National Recertifying Examination. Practice is an essential part of preparing for a test and improving a test taker's chance of success. The best way to practice taking a test is by going through lots of practice test questions. Taking lots of practice tests helps ensure that you are not surprised or disappointed on your test day. Our practice questions give you the opportunity to test your knowledge on a set of questions you can know everything that is going to be covered on the test, and it will not do you any good on test day if you have not had a chance to practice. Repetition is a key to success, and using practice test questions allows you to reinforce your strengths and

improve your weaknesses detailed answer explanations are also included for each question it may sound obvious but you have to know which questions you missed and more importantly why you missed them to be able to avoid making the same mistakes again when you take the real test that's why our practice questions include answer keys with detailed answer explanations these in depth answer explanations will allow you to better understand any questions that were difficult for you or that you needed more help to understand
